NATIONAL VETERANS SERVICE

THE FLAGSHIP PROGRAM BEHIND EVERY NATIONAL PROGRAMS ENGAGEMENT

National Veterans Service (NVS) consists of a nationwide network of VFW Accredited Service Officers that guide each veteran through the VA system from start to finish. Accredited service officers provide expert help filing and managing claims at no cost, returning billions in earned benefits to the people who served. NVS was established to help all veterans, service members, their families and survivors. For corporate supporters, NVS is the proof point that makes every National Program relationship measurable, reportable and nationally scaled.

WHY NVS IS A PREMIUM CORPORATE ENGAGEMENT

Rather than sponsoring a single event or campaign, NVS supporters invest in the national advocacy infrastructure that puts billions of dollars back into veteran households every year, creating measurable veteran impact with national scale.

CLAIMS ADVOCACY INFRASTRUCTURE

We help veterans access earned benefits. VFW Accredited Service officers guide veterans through the VA claims process at no cost, securing billions in annual compensation for veterans and their families.

ECONOMIC EMPOWERMENT ALIGNMENT

We support long-term veteran financial stability. Supporters align with a program that directly improves veteran household incomes and financial outcomes. NVS impact is measurable and reportable.

ENTERPRISE UNRESTRICTED SUPPORT

We invest in the national infrastructure behind veteran advocacy. NVS engagement funds help sustain a nationwide network of VFW Accredited Service Officers who help veterans secure the VA benefits they've earned.

ONE PROGRAM

THREE AREAS OF NATIONAL IMPACT

NVS is not a standalone program — it is woven throughout the VFW Foundation's entire National Program Supporters pillar. Supporters align with NVS through any of the three national impact areas, each representing a distinct entry point into the nation's largest free veteran claims operation.

EDUCATION IMPACT

Service Officer Accreditation Training supports the development of accredited representatives who educate, advocate for and guide veterans throughout the VA claims process.

MILITARY & FAMILY SUPPORT

Accredited VA Claims Assistance connects veterans and families to earned compensation and benefits access, delivering measurable financial impact. The VFW Pre-Discharge Program helps prepare transitioning service members 180 days prior to their separation from service. Our Pre-Discharge offices are located on or near major military installations across the country.

DIGITAL ENGAGEMENT

National Veteran Service Claims Management System supports transitioning service members through early benefits access, streamlined claims support and modern digital engagement tools.
